LB 532, 533

532.

SPEAKER KRISTENSEN: LB 532 advances. LB 533.

CLERK: (LB) 533, by Senator Dierks. (Read title.) The bill was introduced on January 19, referred to the Agriculture Committee, advanced to General File. I have no amendments to the bill, Mr. President.

SPEAKER KRISTENSEN: Senator Dierks, you're recognized to open on LB 533.

SENATOR DIERKS: Thank you, Mr. Speaker and members of the Legislature. Here again, we have a bill dealing with some obsolete language. There are three sections that are removed from Chapter 54, Article XII. The bill had no opposition in committee, and was advanced by the committee without amendment at 5 and 0. The sections to be repealed actually originate in 1953, and they deal with a requirement on out-of-state residents to obtain a permit to graze cattle in Nebraska, if their state of residents has a permit fee required in place for Nebraskans grazing in their state. This law makes it the duty of the county treasurer to issue a grazing permit upon receiving an application, and \$1.50 per head fee. I'm not aware of any instances in which the law is used today, and invite your questions or any comments you might have. And I would urge the support of the bill to advance to Select File. Thank you.

SPEAKER KRISTENSEN: You've heard the opening, debate on advancement of the bill? Senator Dierks. Waives closing. The question before the body is the advancement of LB 533 to E & R Initial. All those in favor vote aye; all those opposed vote nay. Record.

CLERK: 28 ayes, 0 nays, Mr. President, on the advancement of LB 533.

SPEAKER KRISTENSEN: LB 533 advances to E & R Initial. Before we proceed to the next bill, the doughnuts that are being passed out this morning are compliments of Senator Quandahl. The note that I have says the occasion is that he's a nice guy. (Laughter. Applause.) I assume we will not take a vote on
